

2017  
Zone II  
Conference

March 2 – 5, 2017

Caribe Hilton, San Juan, Puerto Rico  
Engineering Everywhere for Everyone

Providing essential engineering on the planet for all the people is our constant commitment. The numerous technologies and methodologies that bring improved quality of life through the engineering practices and education is the focus of this conference.

Authors are invited to submit full-length manuscripts for presentation at the conference and inclusion in its proceedings. Papers addressing the conference theme “**Engineering Everywhere for Everyone**” will have first priority and may also include additional topics related to engineering, curricula, learning, practices and development.

Papers will be accepted based on a peer review of manuscripts. Authors are expected to present their papers at the conference to facilitate the transfer of knowledge through discussion and debate. All accepted papers presented by a timely-registered author will be included in the conference proceedings.
